

## Parking Access

Three times a week, every Tuesday, Thursday and Saturday morning, there is a local market on the main street. Therefore, the access to our private parking will be impossible on those days before 2 p.m. However, the exit is available at all times.

After the **Fontaine de la Rotonde** (Place Général de Gaulle) continue straight, take **Rue Mazarine** (1st left) then **Rue Laroque** (1st left again).

At the end of **Rue Laroque**, you will find two electrical terminals blocking access to **Cours Mirabeau**; it is important to drive your vehicle as close as possible to these terminals.

When you are in front of the terminals, you will need to contact the hotel reception on +33 (0)4 42 27 74 22 (choice number 1) so that we can identify you and thus request the opening of the street. Go back up **Cours Mirabeau** then take the third street on the left, just after the Monoprix, **Rue Nazareth**.

At the entrance to **rue Nazareth**, approach your vehicle and contact reception again at (+33) 04 42 27 74 22 to open the terminals.

Continue straight ahead for about 10 meters, our parking gate will be on your right-hand side.

In case of any difficulties, please do not hesitate to contact the reception desk by telephone: (+33) 4 42 27 74 22
